Sir:

EXAMINER'S COMMUNICATION

Applicant would like to thank the Examiner for the courtesy call to the undersigned on August 30, 2004, to discuss the possible filing of a terminal disclaimer. The Examiner discussed with the undersigned whether a Terminal Disclaimer filed in related applications can be an admission regarding double patenting. For the Examiner's convenience, Applicant directs the Examiner to M.P.E.P. § 804.02 and encloses a copy of *Quad Environmental Technologies Corp. v. Union Sanitary Dist.*, 946 F.2d 870, 20 USPQ2d 1392 (Fed. Cir. 1991), which discusses that the mere filing of a terminal disclaimer does not constitute an admission of obviousness-type double patenting.

Should the Examiner wish to discuss this application further, she is asked to contact the undersigned at her convenience.
